01 Extranet [Ohmyhotel.biz]

Multiple rates and inventory setting available

Using CMS, Extranet, Channel Admin, it is possible to set various rates/inventory types depending on sales purpose.

Diverse sales with one time setting

Register hotels and rates/inventory in OHMY system and sell simultaneously via B2C, B2B homepage, B2B wholesalers, and multiple channels.

Flexibility of plan settings

After choosing a room plan, select from various plan lists such as:

- Eco Plan
- Early Check-in / Late Check-out
- No Parking / Free Upgrade
- Free Breakfast

Flexibility of promotion settings

After choosing a room plan, easily set promotions such as:

Early Bird / Last Minute / Nth Night Free Stay / Hotel Voucher, etc.

Can set reservation/ payment division and cancellation policy, and change promotional settings.

Dynamic package sales

Possible to sell dynamic package products combining flights, tickets, tour activities.

Dynamic package rates can be sold as combination products, member only, or wholesale only products.

Sales expansion through Ohmy SaaS

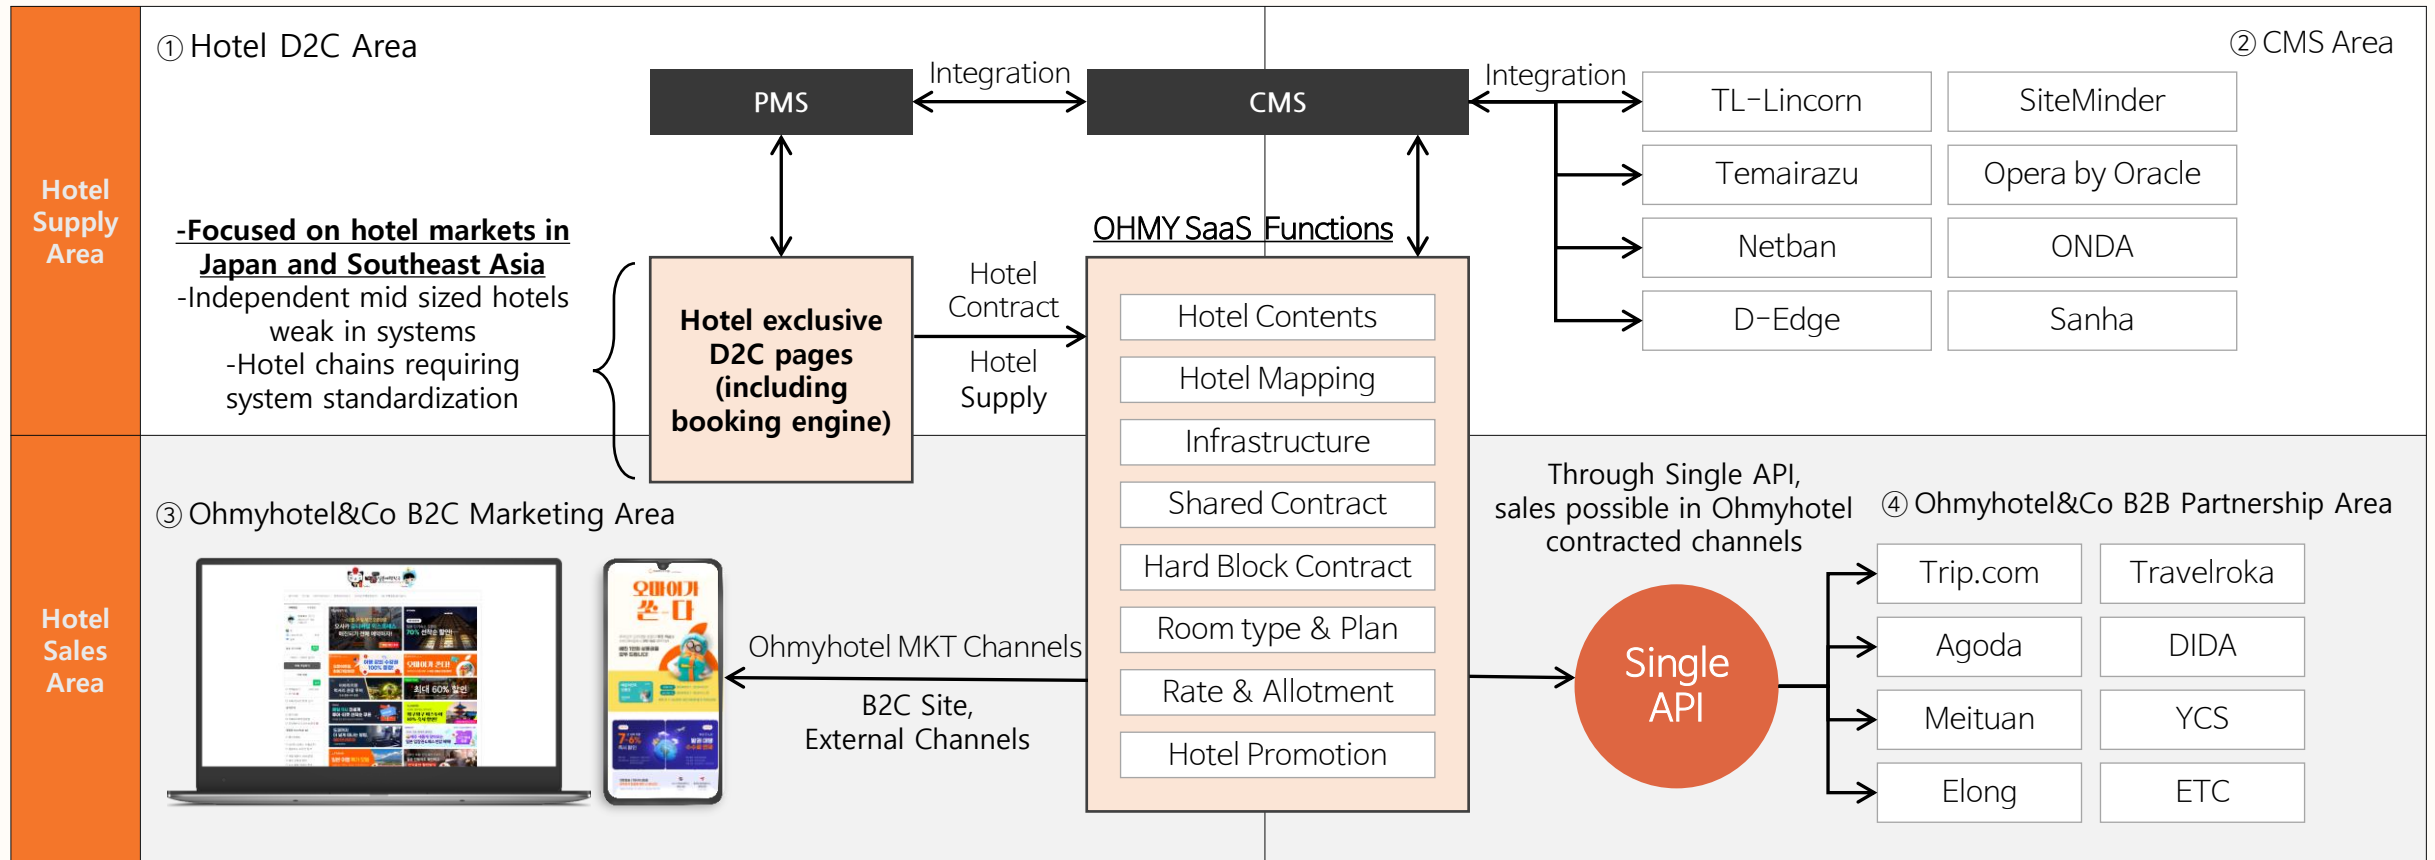

By using the SaaS system implemented in OHMY V2.0, sales expansion is possible not only to our B2C/B2B platforms

but also to Local OTAs and Travel Agencies through CMS/CMS Switching.

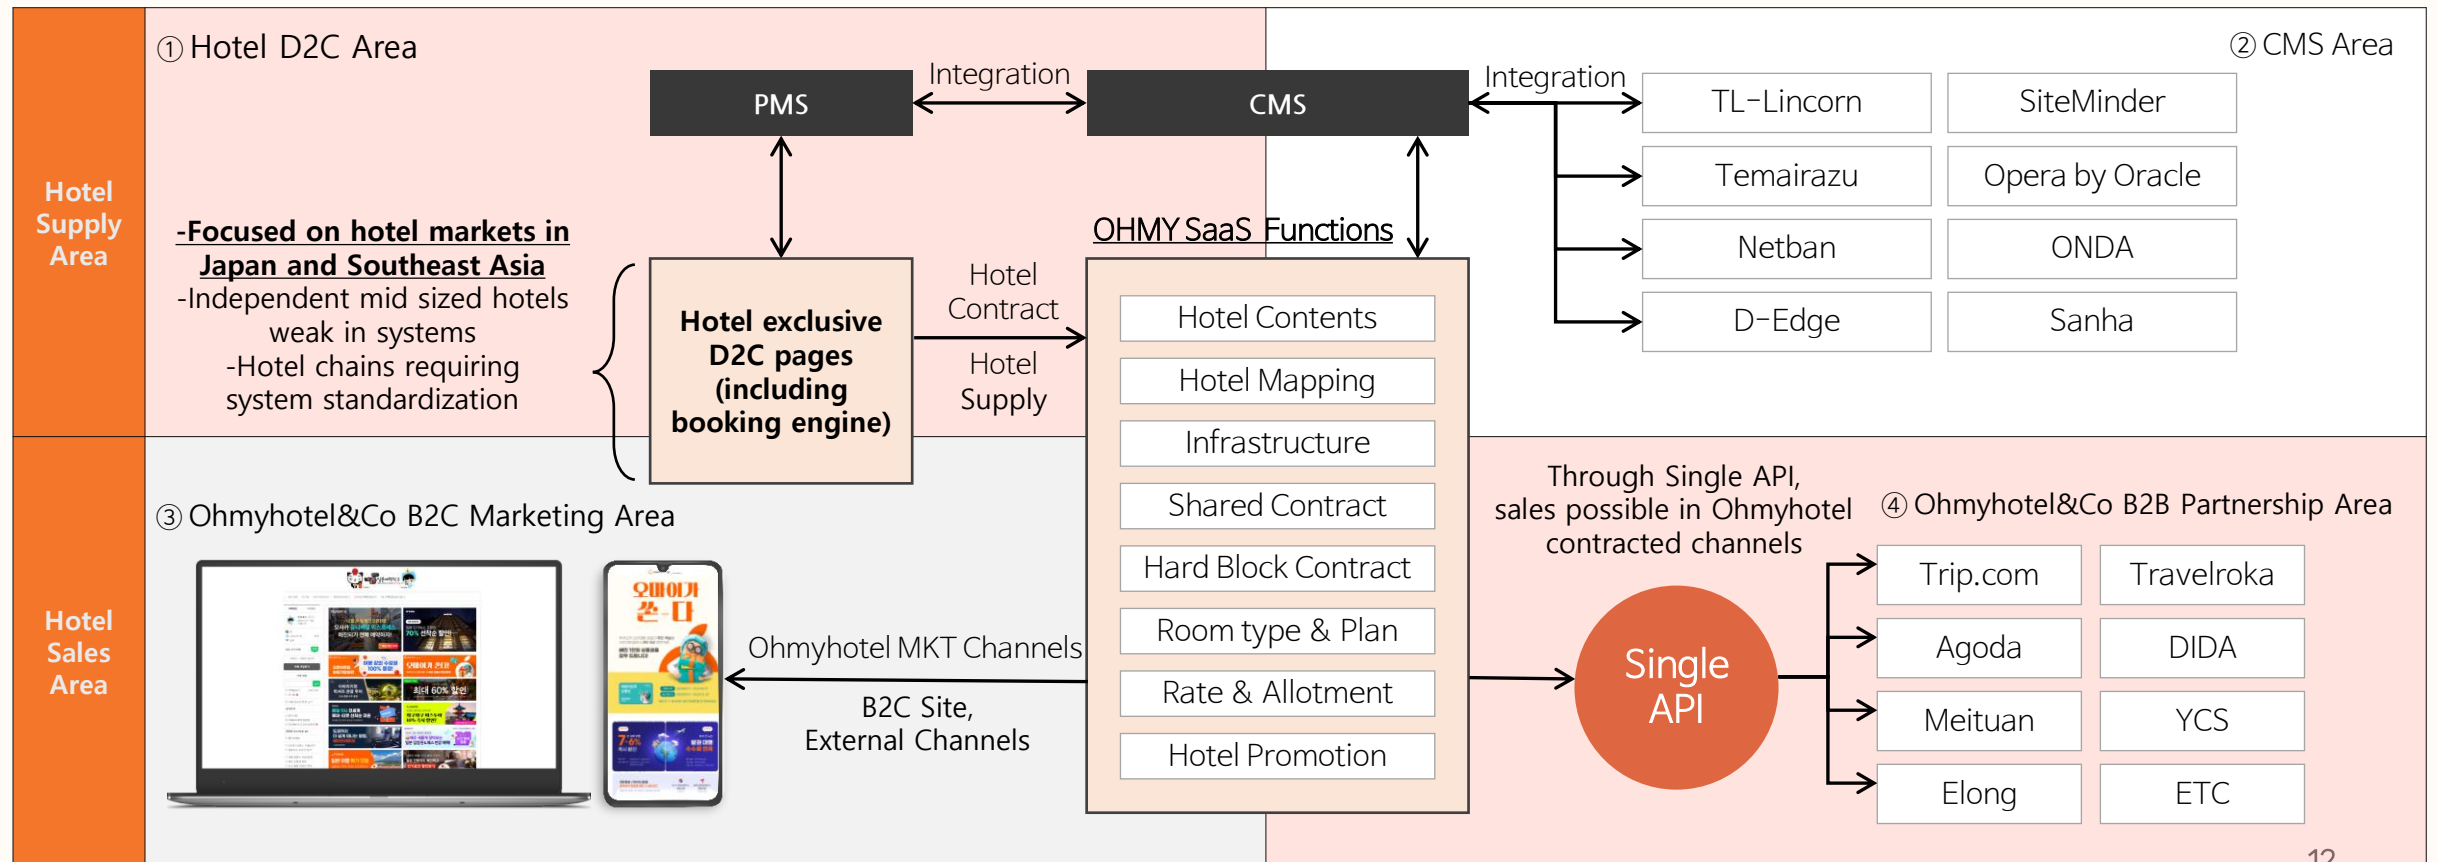

02 Ohmy SaaS

From hotel D2C service system support to contract, supply, sales, and marketing, all integrated into 111

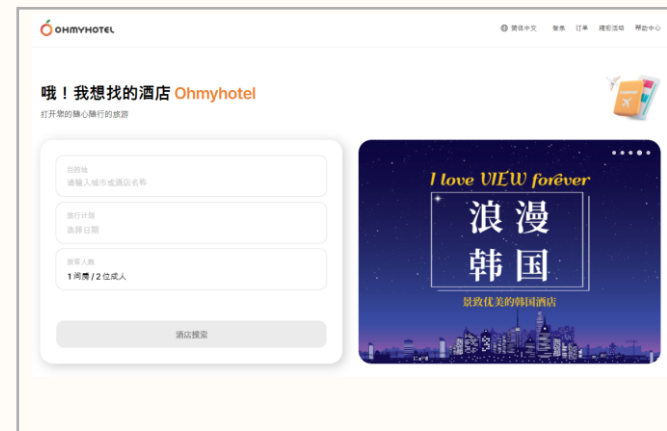

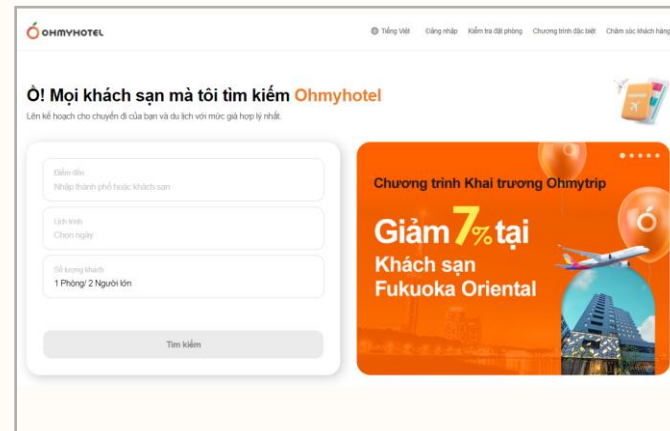

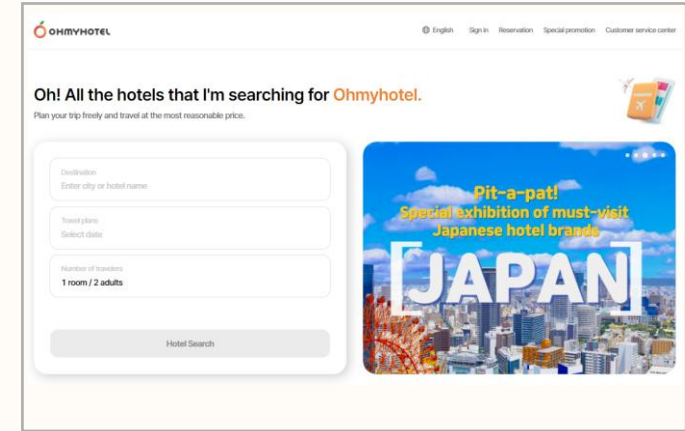

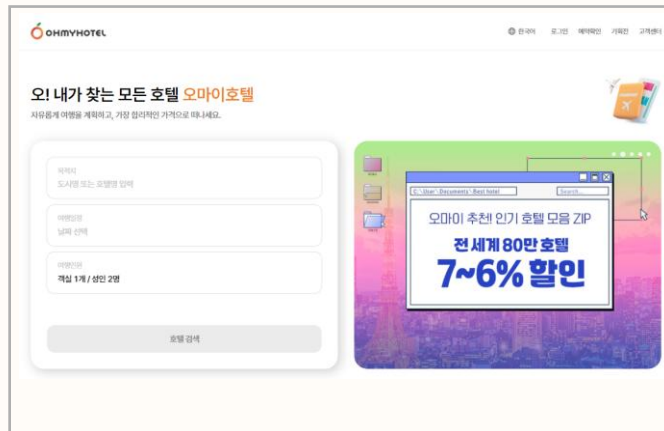

02 Ohmy SaaS
